

CURRICULUM VITAE
SCOTT LYELL GARDNER

Work Tel: 402-472-3334

Fax: 402-472-8949

PROFESSIONAL PREPARATION

<u>Institution</u>	<u>Major/Area</u>	<u>Degree/Date</u>
Oregon State University	Biology/Ecology	B.S. 1980
University of Northern Colorado	Zoology/Parasitology	M.A. 1983
University of New Mexico	Biology/Parasitology	Ph.D. 1989
University of New Mexico	Post doctoral position	1989-1990

APPOINTMENTS

- 2003- **Professor and Curator of Parasitology**, School of Biological Sciences, University of Nebraska-Lincoln
- 2002-2003 **Professor and Curator of Parasitology**, University of Nebraska State Museum and School of Biological Sciences, University of Nebraska-Lincoln
- 1994-2002 **Associate Professor and Curator of Parasitology**, Division of Parasitology, University of Nebraska State Museum, University of Nebraska-Lincoln
- 1995-1996 **Assistant Director for Research**, University of Nebraska State Museum, Lincoln, NE
- 1990-1994 **Assistant Professor and Curator of Nematology**, Department of Nematology, University of California, Davis
- 1988-1990 **Post-Doctoral Associate** with Dr. Donald W. Duszynski, Department of Biology, University of New Mexico, Albuquerque, NM
- 1987-1988 **Research Assistant**, Department of Biology, University of New Mexico, Albuquerque, NM
- 1984-1987 **Teaching Assistant**, Department of Biology, University of New Mexico, Albuquerque, NM

AWARDS AND HONORS

- 2003-2005 Certificate of Recognition for Contribution to Students. UNL Parents' Association and Teaching Council, Lincoln, NE
- 1997 Certificate of Recognition for Contribution to Students. UNL Parents' Association and Teaching Council, Lincoln, NE
- 1996 Certificate of Recognition for Contribution to Students. UNL Parents' Association and Teaching Council, Lincoln, NE
- 1994 Faculty Fellow, Graduate Studies (elected). UNL, Lincoln, NE
- 1992 Research Associate (elected). Department of Mammalogy, American Museum of Natural History, New York, NY
- 1990 Research Associate (elected). Division of Mammals, Museum of Southwestern Biology, Department of Biology, University of New Mexico, Albuquerque, NM
- 1988 Best Student Paper, Systematics. United States Federation of Culture Collections, National Student Paper Competition
- 1988 Phi Kappa Phi. University of New Mexico, Albuquerque, NM
- 1988 Best Student Paper, Systematics. Annual Meeting of the American Society of Parasitologists, Lincoln, NE
- 1987 Challenge Assistantship. Office of Graduate Studies, University of New Mexico, Albuquerque, NM
- 1983 Best Student Demonstration. Rocky Mountain Conference of Parasitologists, Grand Junction, CO
- 1983 Best Student Paper. Rocky Mountain Conference of Parasitologists, Grand Junction, CO
- 1982 Outstanding Graduate Student, "Chairman's Award." Department of Biological Sciences, University of Northern Colorado, Greeley, CO
- 1981 Superior Teaching Recognition. Department of Zoology, Oregon State University, Corvallis, OR

EXTERNAL GRANTS PENDING

- \$500,000 WormWeb-II: Integrating new specimen data into the collections and databases of the Harold W. Manter Laboratory of Parasitology. National Science Foundation, Biological Research Collections Program.
- \$485,000 The Mongolian Mammal Parasite Project. National Science Foundation, Systematics Biological Surveys and Inventories Program.

EXTERNAL GRANTS RECEIVED

\$1,245,857 TOTAL EXTERNAL FUNDING GRANTED

- \$18,000 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-0097019. 2005
- \$16,000 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-0097019. 2004
- \$17,500 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-0097019. 2003
- \$11,800 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-0097019. 2002
- \$21,650 ECTO-WEB: Ectoparasites of Mammals of Bolivia. National Science Foundation. Research Supplement to Grant Number DEB-0097019. 2001
- \$347,000 WORM-WEB: Georeferencing Computerized Data and Linking Databases in the Manter Laboratory of Parasitology. National Science Foundation. Grant Number DEB-0097019. 2001
- \$13,680 Collection of Parasites from Mammals in Bolivia. National Science Foundation. Equipment and Field Supplement to Grant Number DEB-9621395. 2000
- \$17,200 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-9631295. 2000
- \$13,610 Collection of Parasites from Mammals in Mongolia. National Science Foundation. Research Supplement to Grant Number DEB-9631295. 1999
- \$10,000 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-9631295. 1999
- \$10,000 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-9631295. 1998
- \$10,900 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-9631295. 1997
- \$10,000 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-9631295. 1996
- \$10,000 REU Supplement. National Science Foundation. Supplement to Grant Number DEB-9496263. 1996
- \$250,400 Upgrade of the Collections Facilities of the Harold W. Manter Laboratory of Parasitology. National Science Foundation. Grant Number DEB-9631295. 1996-2001
- \$74,000 Parasites of Mammals of Bolivia: Phylogeny and Coevolution. Renewal. National Science Foundation. Grant Number DEB-9496263. 1994-1996
- \$57,384 LTREB: Spatial and Temporal Pattern in Butterfly Faunas: Long-Term Studies on a Northern California Transect. National Science Foundation. Grant Number DEB-9306721. Co-PI, Arthur M. Shapiro, University of California, Davis. 1993-1999
- \$22,000 Evaluation and Testing of QBIC, "Query by Image Content." IBM. 1993-1994
- \$7,000 Morphology and Molecules in Phylogenetic Analysis of Nematodes of Mammals. NATO. NATO Collaborative Research Grant. Grant Number CRG No. 920612. Co-PI: Jean-Pierre Hugot, Muséum National d'Histoire Naturelle, Paris. 1992-1994
- \$50,000 EROL Supplement to extend research on the Sevilleta LTER in New Mexico. National Science Foundation. Grant Number BSR-9024816. 1992-1994
- \$25,000 Research Experiences for Undergraduates (REU) Supplement. National Science Foundation. Supplement to Grant Number BSR-9024816. 1992-1994
- \$206,568 Parasites of Mammals of Bolivia: Phylogeny and Coevolution. Biotic Surveys and Inventory Grant. National Science Foundation. Grant Number BSR-9024816. 1991-1994
- \$50,000 Phylogenetic Relationships of the Peracarida (Crustacea: Malacostraca) Determined by Analysis of 18s rRNA Nucleotide Sequences. Alfred P. Sloan Fellowship in Molecular Studies of Evolution. Alfred P. Sloan Foundation. Declined in order to assume tenure-track position at UC Davis, 1989
- \$9,665 Zoogeography and Coevolution of Helminth Parasites and their Rodent Hosts in Bolivia. Dissertation Improvement Grant (Systematics). National Science Foundation. Grant Number BSR-8612329. 1986-1988
- \$500 Mammal Parasite Coevolution (field work in Bolivia). Grant-in-Aid. American Society of

Mammalogists. 1985

INTERNAL GRANTS RECEIVED

\$163,125 TOTAL INTERNAL FUNDING GRANTED

\$50,000	Renovation of the Systematics Laboratory in Manter Hall. Office of Research Facilities Improvement Award, UNL. 1999
\$3,000	Database Conversion in the Manter Laboratory, Research Council, UNL. 1998
\$2,000	Molecular Phylogenetics of Parasites of Mammals. Research Council, UNL. 1995
\$92,000	Renovation, Division of Parasitology, Nebraska Hall. Office of Research, UNL. 1994
\$2,000	Genetic Resource Conservation Program. University of California. 1994
\$2,000	Genetic Resource Conservation Program. University of California. 1993
\$2,000	Genetic Resource Conservation Program. University of California. 1992
\$2,125	New Faculty Research Grant. University of California, Davis. 1990-1991
\$1,000	Faculty Research Grant. University of California, Davis. 1990-1991
\$6,000	Challenge Assistantship. University of New Mexico. 1987-1988
\$1,000	The Latin American Institute, University of New Mexico. 1986

PRESENTATIONS

INVITED PAPERS, SEMINARS, SYMPOSIA

1. 1987. "From Tarija to San Borja: Questing for Parasites in Bolivia." Banquet address at the annual meeting

- of the Rocky Mountain Conference of Parasitologists. University of Northern Colorado. Greeley, CO
2. 1988. "Phyletic Coevolution between Parasitic Nematodes and their Ctenomyid hosts in Bolivia." Department of Zoology, Colorado State University. Fort Collins, CO
 3. 1989. "Coevolutionary Phylaxis between Aspidoderid Nematodes and Ctenomyid Rodents in Bolivia." Department of Biology, Portland State University. Portland, OR
 4. 1989. "Phyletic Coevolution of Parasitic Nematodes and their Neotropical hosts." Invited Seminar, Department of Nematology, University of California. Davis, CA
 5. 1989. "Coevolutionary Relationships among Neotropical Aspidoderid Nematodes and Tuco Tucos." Department of Biology, University of Texas. El Paso, TX
 6. 1989. "Phyletic Evolution Among Hosts and Parasites." Dept of Biol., Emporia State University. Emporia, KS
 7. 1990. "Phyletic Coevolution Between Burrowing Rodents and their Nematode Parasites." Invited speaker in the "Symposium on Host-Parasite Coevolution" at the Annual Meeting of the American Association for the Advancement of Science, Southwest and Rocky Mountain Division. Colorado Springs, CO
 8. 1991. "Coevolution, Zoogeography, and Historical Ecology of Endoparasites of Ancient Rodents and Marsupials in the Central Neotropics." Symposium on Host Parasite Coevolution and Biogeography. Annual Meeting, American Society of Parasitologists. Madison, WI
 9. 1991. "Host-Parasite Phyletic Coevolution. Northern California Association of Parasitologists Annual Fall Meeting. UC San Francisco, CA
 10. 1992. "Phyletic Coevolution of Subterranean Rodents and their Nematode Parasites in the Southern Neotropics." National Museum of Natural History. Paris, France
 11. 1993. "Parasitology and Coevolution in the Neotropics." University of Nebraska State Museum and the School of Biological Sciences, University of Nebraska. Lincoln, NE
 12. 1994. "Parasitology and Mammalogy-Synthesis and Joining Disciplines." Department of Biology, University of New Mexico. Albuquerque, NM
 13. 1996. "Parasites as Probes for Biodiversity." Bodega Bay Marine Laboratory, University of California
 14. 1996. "Current research in the Manter Laboratory of Parasitology, the University of Nebraska State Museum." Fall Semester. University of Nebraska-Lincoln Seminar Series in Biological Sciences. Lincoln, NE
 15. 1997. "Parasites as Probes for Biological Diversity." University of Nebraska-Omaha. Omaha, NE
 16. 1997. "Parasites and Biological Diversity." Dept. of Bio. Sci., Carleton College. Northfield, MN
 17. 1998. "Bringing Parasites into the Classroom, Enhancing the Continuum of Biology." Annual Meeting of the American Society of Parasitologists. Nashville, TN
 18. 1998. "Parasitology and the Mammals of Bolivia." Presentation to the Ministry of Health of the Bolivian Government. La Paz, Bolivia
 19. 2001. Co-Convenor of symposium: "Mammal-Parasite Coevolution and Zoonoses." Eighth International Theriological Congress. Sun City, South Africa
 20. 2001. "Parasite Biodiversity: Patterns of Distribution of Parasites and Mammals." Departments of Fisheries and Wildlife and Biology, Texas A&M University. College Station, TX
 21. 2004. "The Importance of Communicating with the Public and the Administration in Natural History Museums." Annual Meeting of the Natural Science Collections Alliance, Smithsonian Institution, Wash., DC
 22. 2005. "New Uses for Biological Collections" Invited Speaker at the Annual Meeting of the Natural Science Collections Alliance, Santa Barbara, CA.
 23. 2005. "Parasite Biodiversity" Department of Biology, Texas Tech University, Lubbock, Texas.
 24. 2005. Primary symposium organizer: S18: Mammal Parasite Biodiversity: Aspects of disease, diversity, and coevolution of host-parasite assemblages. DATE & TIME: August 2 (Tues) 10:15-12:45 & 15:00-17:30/ CONVENERS: Scott L. Gardner, Luis A. Ruedas, Mitsuhiro Asakawa, and Kenichi Takahashi "Mammal Parasite Biodiversity" at the 9th International Mammalogical Congress (IMC9).
 25. 2006. Mammal / Parasite Biodiversity. Environmental Studies Capstone Course Seminar. 13 April. Student Union Building, UNL City Campus.
 26. 2006. Parasites of Mammals - Phylogeny and Biodiversity. Systematic Biology and Biodiversity Inventories Cluster, Division of Environmental Biology, National Science Foundation.

PRESENTATIONS AT MEETINGS

27. **Gardner, S. L.** 1980. Some parasites of the Camas pocket gopher, *Thomomys bulbivorus*. Annual meeting of the Pacific Northwest Bird and Mammal Society. Bend, OR
28. **Gardner, S. L.** 1982. Endoparasites of *Thomomys bulbivorus* (Richardson) (Rodentia: Geomyidae) a gopher endemic to the Willamette Valley of Oregon. Annual Meeting of the Rocky Mountain Conference of Parasitologists. Pocatello, ID
24. **Gardner, S. L.**; Schmidt, G. D. 1983. Endoparasites of pocket gophers from western North America. Meeting of the Rocky Mountain Conference of Parasitologists. Grand Junction, CO
25. **Gardner, S. L.**; Schmidt, G. D. 1983. Systematics and ecology of helminth parasites of pocket gophers of western North America. Meeting of the American Society of Parasitologists. San Antonio, TX29.
- Gardner, S. L.** 1984. Evolution of tapeworms of the genus *Hymenolepis* in their rodent hosts. Meeting of the Southwestern Association of Parasitologists. Lake Texoma, OK
30. **Gardner, S. L.** 1985. Coevolution of nematodes and their rodent hosts. Meeting of the Southwestern Association of Parasitologists. Lake Texoma, OK
31. **Gardner, S. L.** 1986. Helminth parasites of mammals of Bolivia. Meeting of the American Society of Parasitologists. Denver, CO
32. **Gardner, S. L.** 1987. Zoogeography of helminth parasites from rodents of the genus *Ctenomys* in Bolivia. Meeting of the Southwestern Association of Parasitologists. Lake Texoma, OK
33. **Gardner, S. L.**; Campbell, M. L. 1987. Additional data on parasites of Mammals of Bolivia: Zoogeography of parasites and hosts. Meeting of the American Society of Parasitologists. Lincoln, NE
34. Campbell, M. L.; **Gardner, S. L.** 1988. Helminth parasites of Bolivian marsupials: Distribution and Ecology. Meeting of the Southwestern Association of Parasitologists. Lake Texoma, OK
35. Lambert, C. R.; **Gardner, S. L.**; Duszynski, D. W. 1988. Coccidia from the fossorial rodent *Ctenomys opimus* Wagner (Ctenomyidae) from Bolivia, South America. Meeting of the Southwestern Association of Parasitologists. Lake Texoma, OK
36. Cook, J. A.; **Gardner, S. L.**; Yates, T. L. 1989. Phyletic coevolution between rodents and their nematode parasites. Meeting of the American Society of Mammalogists. Fairbanks, AK
37. **Gardner, S. L.** (in absentia); Cook, J. A.; Yates, T. L. 1989. Cophylogeny: A test using Bolivian tuco-tucos (Rodentia: Ctenomyidae) and their nematode parasites. 6th International Theriological Congress. Rome, Italy
38. **Gardner, S. L.** 1989. Coevolutionary phylaxis: A test of phylogenetic concordance between aspidoderid nematodes and their rodent hosts. Annual Meeting of the American Society of Parasitologists. Vancouver, BC, Canada
39. **Gardner, S. L.** 1990. Phyletic coevolution between South American hystricognath rodents and their cecal-dwelling nematodes. International Congress of Parasitology-VII. Paris, France
40. **Gardner, S. L.** 1992. "Using Parasites as Probes for Biodiversity" Northern California Association of Parasitologists Annual Spring Meeting. Asilomar, Pacific Grove, CA
41. **Gardner, S. L.**; Hugot, J.-P. 1993. "On the monophyletic nature of the Neotropical Hystricognath Rodents, evidence from their pinworm parasites." Annual Meeting of the French Society of Systematics. Paris, France
42. **Gardner, S. L.** 1993. "Host-Parasite biodiversity: The interface of Field Parasitology, Systematics, and Mammalogy." Annual Meeting of the American Society of Parasitologists, Atlanta, GA
43. Hugot, J.-P.; Morand, S.; **Gardner, S. L.** 1995. Congrès de la Société Française de Parasitologie Session: "Systématique et coévolution hôtes/parasites." Communication: "Nouvelle preuve de la parenté étroite des rongeurs hystricognathes, d'après la phylogénie de leurs Oxyures spécifiques (par en collaboration avec Perpignan)"
44. **Gardner, S. L.**; Anderson, S. 1995. Fenestrated cranium in Bolivian mammals. Annual meeting of the American Society of Mammalogists. Burlington, VT
45. **Gardner, S. L.** 1995. Phylogeny of insect parasitic nematodes from analysis of 26S rDNA and RAPD's. Annual Meeting of the American Society of Parasitologists. Pittsburgh, PA
46. **Gardner, S. L.** 1996. Spanning continents and oceans: International collaboration and funding in parasitology. Annual Meeting of the American Society of Parasitologists. Tucson, AZ
47. **Gardner, S. L.**; Anderson, S. 1997. Fenestrated cranium in Bolivian mammals. Seventh International Theriological Congress. Acapulco, Mexico
48. **Gardner, S. L.**; Anderson, S. 1997. Collaboration with the H.W. Manter Laboratory of Parasitology. Seventh

- International Theriological Congress. Acapulco, Mexico
49. **Gardner, S. L.** 1998. Coevolution and biodiversity: mammals and their parasites. SY-21 host-parasite coevolution: techniques concepts and methods. Euro-American Mammal Congress, Santiago de Compostela, Spain
 50. **Gardner, S. L.**; Pérez-Ponce de León, G.; Falcón-Ordaz, G. 1999. Phylogenetic relationships among nematodes of the genus *Stilestrongylus* from neotropical rodents. Annual Meeting of the American Society of Parasitologists. Monterey, CA
 51. **Gardner, S. L.** 2000. *Cryptocotyle* from the Lobito de Rio (*Lutra longicaudis*) in the Beni Department of Bolivia. Annual Meeting of the American Society of Parasitologists. San Juan, Puerto Rico
 52. Jiménez-Ruiz, A.; **Gardner, S. L.** 2000. Helminth parasites of the Hociudo (Rodentia: Muridae: *Oxymycterus*) from the Bolivian Yungas. Annual Meeting of the American Society of Parasitologists. San Juan, Puerto Rico
 53. Ganzorig, S.; Oku, Y.; **Gardner, S. L.**; Kamiya, M. 2000. Species identification of metacestodes of *Mesocestoides* spp. using mitochondrial DNA sequencing. Annual Meeting of the American Society of Parasitologists. San Juan, Puerto Rico
 54. Sterner, M. C.; **Gardner, S. L.**; Pritchard, M. H. 2001. Activities of the Harold W. Manter Laboratory of Parasitology. Annual Meeting of the American Society of Parasitologists. Albuquerque, NM
 55. Sukitjavanich, K.; **Gardner, S. L.** 2001. Helminth parasites of Nebraska mammals. Annual Meeting of the American Society of Parasitologists. Albuquerque, NM
 56. Crapo, E. E.; **Gardner, S. L.** 2001. Parasites from *Onychomys* on the Sevilleta LTER site in New Mexico. Annual Meeting of the American Society of Parasitologists. Albuquerque, NM
 57. Jiménez-Ruiz, A.; **Gardner, S. L.** 2001. Systematics of the Neotropical family Aspidoderidae Skrjabin & Schikhobalova, 1947 (Nemata: Heterakoidea). Annual Meeting of the American Society of Parasitologists. Albuquerque, NM
 58. **Gardner, S. L.** 2001. Current state of the science of biodiversity, coevolution, and zoonotic disease research. Eighth International Theriological Congress. Sun City, South Africa
 59. **Gardner, S. L.**; Yates, T. L.; Crapo, E. E.; Jiménez-Ruiz, A. 2002. Mammals and their parasites: Temporal patterns and biodiversity. Eighty-second Annual meeting of the American Society of Mammalogists. Lake Charles, LA
 60. Jiménez-Ruiz, A.; **Gardner, S. L.** 2002. Taxonomy of the Aspidoderidae evaluated from a phylogenetic perspective. Tenth International Congress of Parasitology. Vancouver, BC
 61. **Gardner, S. L.**; Jiménez-Ruiz, A. 2002. Phylogeny of pinworms (*Syphacia*: Syphaciidae: Nemata) from neotropical rodents based on morphology. Tenth International Congress of Parasitology. Vancouver, BC
 62. Jiménez-Ruiz, F.A.; **Gardner, S. L.** 2003. Cophylogeny among neotropical mammals and their nematode parasites (Heterakoidea: Aspidoderidae). 78th Annual Meeting of the American Society of Parasitologists. Halifax, Nova Scotia
 63. Jiménez-Ruiz, F.A.; **Gardner, S. L.** 2003. Cophylogeny: Neotropical mammals and their nematode parasites. 83rd Annual meeting of the American Society of Mammalogists. Texas Tech University, Lubbock, TX
 64. **Gardner, S. L.**; Jiménez-Ruiz, F.A. 2004. Phylogeny of Pinworms (*Syphacia*) with a BPA of other parasites and Murids from the Neotropics. 84th Annual Meeting of the American Society of Mammalogists. Humboldt State University, Arcata, CA
 65. Jiménez-Ruiz, F.A.; **Gardner, S. L.** 2004. Nematodes of the family Aspidoderidae Skrjabin & Schikhobalova, 1947. 79th Annual Meeting of the American Society of Parasitologists. Philadelphia, PA
 66. **Gardner, S. L.**; Jiménez-Ruiz, F.A. 2004. Phylogeny of Pinworms (*Syphacia*): parasites of Murids from the Neotropics. 79th Annual Meeting of the American Society of Parasitologists. Philadelphia, PA.
 67. Jiménez-Ruiz, F.A.; **Gardner, S. L.** 2005. Ancestral host species (mammalia) for parasites (aspidoderidae) with wide geographic and host range: impact on resulting hypotheses. Symposium 1801, Ninth International Mammalogical Congress. Sapporo, Japan.
 68. **Gardner, S. L.**; M. L. Campbell. 2005. Phylogenetic Systematics, Scaling, and the Study of Coevolution: Historical Basis and Current Research. Symposium 1801, Ninth International Mammalogical Congress. Sapporo, Japan.

FIELD WORK, COLLECTING AND VISITING PROFESSORSHIPS

- 2002-2004 Nebraska. Parasites of Geomyidae in the central Great Plains
- 2001 Republic of South Africa. Parasites of archaic rodents of the southwestern Kalahari
- 2000 Bolivia. Survey of mammals of Bolivia for parasites and the machupo virus
- 1999 Mongolia. Collected parasites of mammals and participated in an NSF funded project to help establish an ILTER site
- 1997 Bolivia. Presented paper and consulted with the Ministry of Health and the Ministry of the Environment in the Bolivian Government
- 1993-1996 Bolivia. Biodiversity of Bolivia: survey of mammals and their parasites in altitudinal transects
- 1994 Mexico. Helminth parasites of mammals of Baja California Sur: mainland-island comparisons
- 1992 France. Visiting Professor/Curator. Laboratoire de Biologie Parasitaire, Protistologie, Helminthologie, Muséum National d'Histoire Naturelle, Paris
- 1990-1992 Bolivia. Biodiversity of Bolivia: survey of mammals and their parasites in altitudinal transects
- 1989-2001 New Mexico. Parasites of mammals from the Sevilleta Long Term Ecological Research Site in NM
- 1988 Switzerland and France. Informal consultations: WHO, Veterinary Disease Section and Tropical Disease Section; Muséum National d'Histoire Naturelle (Paris), Division of Worms; Muséum d'Histoire Naturelle de la Ville de Genève, Division of Worms
- 1984-1986 Bolivia. Survey of the parasites of mammals of Bolivia
- 1984-1988 Mexico, Sonora. Parasites of stingrays (*Urolophus*) in the Gulf of California
- 1976-1988 Oregon, Colorado and New Mexico. A survey of parasites of the family Geomyidae
- 1974-1976 Alaska. A survey of animal parasites

COLLECTION ACTIVITIES

- 2003- Started Journal of Parasitology Scanning Project - 3/4 way finished scanning the Journal of Parasitology for free public access, funded by the American Society of Parasitologists
- 2000- Integrating the Bolivian Mammal Parasite Collection into an Internet enabled distributed database
- 1999 Started a new system of numbering and data cataloging called the "Nebraska Parasite Collecting Catalog." Allows consistent and non-redundant data acquisition in field and laboratory studies of hosts and their parasites
- 1998 Converted Manter Laboratory database from Rbase-DOS to MS Access under Windows NT-4.0 and put it online for searching via Web browsers
- 1998 Copied onto acid-free paper, and bound, the complete paper HWML collection catalog
- 1997-2000 Replaced all bakelite caps with PVC teflon lined vial caps in the liquid specimen collections
- 1996 Updated and upgraded computer database system in the HWML
- 1995-2000 Directed the repair of approximately 6,500 slides in the HWML
- 1994-2003 Added approximately 3,000 lots of specimens per year into the collections since 1994 (total now over 120,000 lots (>1,500,000 specimens))
- 1994-2001 Acquired several important animal parasite collections representing >50,000 specimens, including the Massey Insect Nematode Collection containing 134 holotype specimens and 1,800 cataloged vouchers (2001)
- 1994-2001 Acquired and placed into the HWML library, approximately 4,000 unique books and 10,000 unique reprints of systematic parasitology
- 1994-2001 Specimen loan activity increased from an average of about 10 loans per year to more than 20 per year
- 1994-1995 Renovated and expanded Division of Parasitology space in Nebraska Hall, UNL

COURSES TAUGHT**University of California, Davis**

- 1991 Coevolution and Modern Systematic Biology (seminar). Department of Nematology
- 1992 Biology of Parasitism (lecture and lab, 3 credit hours). 145 students
- 1993 Introduction to Nematology (lecture, 2 credit hours). 50 students

1994 Introduction to Nematology (lecture, 2 credit hours). 45 students
 1994 Biology of Parasitism (lecture and lab, 3 credit hours). 150 students

University of Nebraska-Lincoln

1995 Invertebrate Zoology (lecture and lab, 4 credit hours). Bios 381 and Bios 381L. 18 students
 1996 Computer Methods in Phylogenetic Systematics (lecture, 1-3 credit hours). Bios 952. 8 students
 1997 Introduction to Zoology Laboratory (lecture, 1 credit hour). Bios 112. 70 students
 1998 Introduction to Zoology (lecture, 3 credit hours). Bios 112. 70 students
 1999 Phylogenetic Coevolution (lecture, 3 credit hours). Bios 952. 2 graduate students
 1999 Introduction to Zoology (lecture, 3 credit hours). Bios 112. 78 students
 2000 Introduction to Zoology (lecture, 3 credit hours). Bios 112. 75 students
 2002 Phylogenetic Coevolution (lecture, 3 credit hours). Bios 952. 4 grad students
 2002 Introduction to Zoology (lecture, 3 credit hours). Bios 112. 65 students
 2004 Biosystematics and Nomenclature (lecture, 3 credit hours). Bios 982. 6 grad students
 2005 Introduction to Zoology, Spring (lab) 55 students
 2005 Introduction to Zoology, Fall (lecture, 3 credit hours). Bios 112. 55 students
 2005 Introduction to Zoology, Fall (lab) Bios 112. 55 students
 2006 Introduction to Zoology, Fall (lab) Bios 112. 75 students
 2006 Parasitology Seminar, Spring (seminar) Bios 960. 10 students
 2006 Biosystematics and Nomenclature (lecture, 3 credit hours). Bios 982. 4 grad students

DOCTORAL STUDENTS

Dr. Luma Al-Banna	1995	UCD
F. Agustín Jiménez-Ruiz	2004	UNL
David Scott Tinnin	Ph.D. Candidate	UNL
Terry Haverkost	Ph.D. Candidate	UNL

MASTERS STUDENTS

Luma Al-Banna	1992	UCD
Mariel L. Campbell	1995	UCD
Sara V. Brant	1998	UNL

UNDERGRADUATE STUDENTS

-RESEARCH EXPERIENCES FOR UNDERGRADUATES-

Since 1992, 19 REU students were trained in systematic and taxonomic parasitology, mammalogy, and field parasitology. Most have gone on to professional training.

GRADUATE COMMITTEES

1992-1994	Masters degree committee chair for Mariel L. Campbell. Nematology Department, UC Davis
1990-1992	Masters degree committee chair for Luma Al-Banna. Nematology Department, UC Davis
1992-1994	Committee chair for Luma Al-Banna. Nematology Department, UC Davis
1994-1997	Masters degree committee chair for Sara V. Brant. Parasitology Graduate Research Emphasis Group, School of Biological Sciences, UNL
1996-1998	Committee member for Byron Adams, Ph.D. candidate in the Department of Plant Pathology, School of Biological Sciences, UNL
1998-present	Committee member for Peter Mullin, Ph.D. candidate in the Department of Plant Pathology, School of Biological Sciences, UNL
1998-present	Committee chair for Agustín Jiménez Ruiz, Ph.D. candidate in the Department of Plant Pathology, School of Biological Sciences, UNL
1999-2000	Committee member for G. Conchiero, Ph.D. candidate in School of Biological Sciences, UNL

- 2000-present Committee member for Chenhong Li, Ph.D. candidate in School of Biological Sciences, UNL
 2003-present Committee chair for David S. Tinnin, Ph.D. candidate in School of Biological Sciences, UNL
 2005-present Committee member for Alaine Knipes, Ph.D. candidate in School of Biological Sciences, UNL
 2005-present Committee member for Gabriel Langford, Ph.D. candidate in School of Biological Sciences, UNL

REVIEW PANELS/WORKSHOPS

- 2004 NEON / EPSCoR Organizing committee and panel member on integration of the NEON initiative in EPSCoR funded states, Washington, D.C.
 2003 Workshop to Produce a Decadal Vision for Taxonomy and Natural History Collections. Funded by the National Science Foundation. University of Florida Museum, Gainesville, FL
 2003 The National Science Collections Alliance. Unification of the collections community - Creating an integrated research tool. Sevilleta Field Station, New Mexico
 2002 Organizer: The Woodrat ATBI workshop. How to identify all species of symbionts from a single species of mammal. Funded by the All Species Foundation. Sevilleta Field Station, New Mexico
 2002 Workshop to Advise NSF on the need for a Global Biodiversity Inventory. National Science Foundation. Washington, D.C.
 1999 Stanford University and the California Academy of Sciences, Museums and Universities in the 21st century
 1999 National Science Foundation. Biological Observatory Network Workshop, California Academy of Sciences
 1996 National Science Foundation. Biotic Surveys and Inventories Grant Review Panel
 1991 National Science Foundation. Dissertation Advisory Review Panel

NATIONAL AND INTERNATIONAL REVIEW PANELS FOR TENURE DECISIONS

- 2005 Johns Hopkins, School of Medicine, External Reviewer for Tenure Decision
 2001 University of Pretoria, South Africa, External Reviewer for Tenure Decision
 2000 Tel Aviv University, Tel Aviv, Israel, External Reviewer for Tenure Decision

SERVICE TO PROFESSIONAL SOCIETIES

- 2005 Chairman of the Systematics Resources Committee, Society of Nematologists
 2003 Member, Working Group, Infrastructure for Biology at Regional to Continental Scales (IBRCS), a project of the American Institute of Biological Sciences (AIBS)
 2000-present Systematics Resources Committee, Society of Nematologists
 2000-present Council member officer, American Society of Parasitologists
 2000-present Newsletter editor, American Society of Parasitologists
 2000-present Member of board of consultants to the editor, Journal of Parasitology
 1999-2000 Representative to the American Society of Parasitologists Council for the Southwestern Association of Parasitologists
 1996-present Webmaster, American Society of Parasitologists Web Pages
 1996-present Electronic newsletter editor, American Society of Parasitologists
 1995-1996 Systematics Resources Committee, Society of Nematologists
 1994-2004 UNIX Machine operator, American Society of Parasitologists Web Pages

GRANT PROPOSALS REVIEWED

Approx. no. reviewed/agency

National Science Foundation	27
National Institutes of Health	1
United States Department of Agriculture	3
North Carolina Biotechnology Center	2

UNIVERSITY SERVICE COMMITTEES

1999- Chair and re-organizer, Systematics and Biological Diversity Graduate Research Emphasis Group (SBD-GREG), School of Biological Sciences, UNL

2000- Member, UNL Biological Observatory Network/National Ecological Observatory Network (NEON) Organizing Committee

2000-2002 Advisor to the Ecology NOW undergraduate student club, UNL

1998- Member, Museum Computerization Committee, UNSM, UNL

1997-1998 Coordinated the noon ecology seminar series in the School of Biological Sciences, UNL

1997 Member, Search Committee, Molecular Systematics Position, School of Biological Sciences, UNL

1997 Member, Dean's Committee on Joint Appointments, College of Arts and Sciences, UNL

1997 Chair, Committee on Museum Initiative, UNSM, UNL

1996- Active member of the Parasitology Graduate Research Emphasis Group

1995 Presented on international research for a two-day program, "Planning and conducting International Research Projects," UNL

1994-2000 Web master and machine operator for the UNSM WWW operations

1994-1996 Representative from UNSM, Academic Senate, UNL

1993-1994 Member, Task Force to Establish a Center for Biosystematics, University of California, Davis

1992-1994 Member, Graduate Education Committee, University of California, Davis

1992 Member, Curriculum Review Committee, Department of Nematology, University of California, Davis

1992 Member, Campus-wide Museum Task Force, University of California, Davis

1991-1992 Chair, Policy Committee, Biological Collections Task Force Review, University of California, Davis

COMMUNITY PRESENTATIONS

2000 "Research in the Manter Laboratory of Parasitology." A group presentation in the Manter Laboratory of Parasitology to the East High School Zoology Class, Lincoln, NE

1999 "International research in the Manter Laboratory of Parasitology." East High School Zoology Class, Lincoln, NE

1997 "What is a tropical rain forest?" Group presentation to all 3rd grade classes, Morley Elementary School, Lincoln, NE

1996 "Tropical rain forests in Bolivia." Group presentation to all 1st and 2nd grade classes, Maxey Elementary School, Lincoln, NE

1996 "What kinds of organisms live in tropical rain forests in Bolivia?" Group presentation to all 3rd grade classes, Morley Elementary School, Lincoln, NE

- 1994 "What do scientists do when they study the rain forest?" Group Presentation to all 4th grade classes, Holmes Elementary School, Lincoln, NE
- 1994 "Biodiversity of Bolivia and the University of Nebraska State Museum." Presentation to the 25 Year Club of Lincoln Electric Service, Lincoln, NE
- 1993 "Tropical forest mammals: what lives in a rain forest?" Presentation to 3rd grade class at West Davis Elementary School, Davis, CA
